

# Community Relations Intern

## Who We Are

Wyloo carries a diverse portfolio of assets located in three of the world's most prolific nickel belts in: Kambalda, Western Australia; the Cape-Smith Belt in Quebec, Canada; and the Ring of Fire region in Ontario, Canada. The geology in each of these regions enables us to produce high-grade, low-carbon nickel sulphide with the highest standards of sustainability.

## Opportunity

Reporting to the Manager, Community Engagement, this position is located in Thunder Bay, Ontario and may require travel to Toronto, Ontario, remote First Nations in Northwestern Ontario or to the Wyloo's Eagle's Nest Project, located within the traditional territory of Marten Falls First Nation and approximately 100 km east of Webequie First Nation.

### Responsibilities:

- Demonstrate a commitment to safety and excellence.
- Communicate regularly with First Nation communities addressing their concerns and questions.
- Provide information on the project and company.
- Travel to First Nation communities for presentations and meetings.
- Participate in community engagement activities, including career fairs, workshops, presentations, and meetings.
- Provide support to other departments that have periodic interactions with our community partners.
- Assist in the preparation of internal and external outreach documents.

### Qualifications:

- Must possess a high school diploma or general education degree (GED) or equivalent work and training experience.
- Excellent communication skills (written and verbal).
- Ability to communicate in an Indigenous language is considered an asset.
- Experience with Microsoft Suite of products, including excel, word, and outlook.
- Capacity to work to tight deadlines with evolving priorities; and
- Must be able to manage a high level of confidentiality. Strong self-organizational skills, time management, interpersonal communication.

We encourage Indigenous people to self-identify in their applications.

Accommodation is available upon request for applicants throughout the selection process.
