Marten Falls First Nation MEMO

To: All MFFN Community Members

From: MFFN Chief and Council

Date: Sept. 4, 2025

Subject: Announcement – Appointment of General Manager, Marten Falls Economic Development Corporation

Marten Falls First Nation is proud to announce the hiring of Wes Bova as the General Manager of the Marten Falls Economic Development Corporation, effective September 1, 2025.

Wes is a member of the Mohawks of Akwesasne and brings a wealth of experience working extensively with First Nations in his former capacity at Matawa, where he served as Manager of Technical Services and Advisory Engineer. He has a strong background in supporting community development and infrastructure planning, and we are confident his expertise will strengthen our Nation's capacity.

As General Manager, Wes will focus on building technical capacity for Marten Falls projects. This includes supporting new construction initiatives, managing MFFN interests in our current business partnerships, and creating new business opportunities. His leadership will help ensure that our Nation is well-positioned to advance its development priorities.

This appointment is part of our broader vision and commitment to implementing our Nation's strategic plan. Through strong leadership and targeted capacity-building, we aim to enable sustainable community growth and create new economic development opportunities for all members of Marten Falls First Nation.

We invite all community members to join us in welcoming Wes to his new role. Together, we look forward to the positive impact his contributions will bring to our Nation's future.

Sincerely,
Chief and Council
Marten Falls First Nation
